

**ENGLISHVILLE'S
VOICE MAIL SYSTEM
IS TEMPORARILY**

OUT OF ORDER

Englishville's voice mail system went down unexpectedly on Thursday, February 18, and we could not find the parts anywhere in stock that we needed to fix it. We have ordered those parts but we have no idea how long it is going to take before we are up and running again.

Unfortunately, **we will not have an attendance line until our voice mail system gets fixed.** Until that happens, we would appreciate your calling the office at 887-7316 after 7:45 a.m. when your child is absent ... or you can email our secretary, Sue Porter, at sue.porter@staff.spartaschools.org.

Our **staff voice mailboxes are also out of order.** If you need to speak to a staff member about a matter involving your teen, *I encourage you to email them.* Just click on the 'Building Staff' link to the left of this notice to access staff email addresses. If you do not have email capabilities, please *pick up the phone and call our office* at 887-7316 during the school day. Your questions are important and Sue Porter will make sure that the right person receives your message.

We apologize for this inconvenience and encourage you to watch our website. **We will post a notice as soon as our voice mail system is back in operation.**

Sincerely,
Ken Willison, Principal
