SOPHOMORES'

MANDATORY SCHEDULING NIGHTS

January 25, 2019

To the Parent(s) / Guardian(s) of a Sparta High School Sophomore:

On **Tuesday, February 26th** and **Wednesday, February 27th**, we are hosting our ***mandatory*** scheduling meetings for you and your sophomore. Students with the last name A-L are scheduled to attend on February 26th, and students with the last name M-Z will attend on February 27th. Please arrive no later than 7 p.m. to the high school auditorium, as we will be creating your student's class schedule for his/her remaining two years at Sparta High School. It may also be helpful to arrive 5-10 minutes early to pick up additional materials.

Although the anticipation of entering the 11th grade is still more than six months away, it is time to start planning for the 2019-2020 school year and beyond. We want to ensure that our students, parents and guardians are prepared with as much information as possible for this exciting transition. During this meeting, you will have the opportunity to gain more insight about the following:

- Updated State of Michigan requirements, your student's grades and transcript
- Sequencing of courses, continued work on the four-year plan and on/off campus scheduling options
- College preparatory courses (honors, AP, Concurrent Enrollment and Dual Enrollment)
- KCTC enrollment, job shadowing experiences and college visits
- Scholarships for college and financial aid
- Extra-curricular activities and collegiate eligibility (NCAA/NAIA)

For information about course offerings and to plan ahead for your scheduling night, visit www.spartaschools.org/highschool/guidanceoffice/ and select Course Descriptions to review course options. We look forward to meeting with you and your student next month. This is a great opportunity to continue to support your student and his/her present and future goals. If you have any questions prior to the meeting, please contact one of the guidance counselors listed below at (616) 887-8213, option 3.

Sincerely,

Teresa Converse, Adam Pfeffer and Blake Schanski
