COMMUNICATIONS:

- A. Spartan of the Month** - This individual was nominated and recognized by their peers for doing the extras that make Sparta Area Schools so special. Linnea Hurley, Appleview Elementary.
"Linnea is one of the busiest and dedicated teachers at Appleview. Not only does she have three high school boys who keep her busy with sports, she has herself involved in so much at Appleview. She leads the Mentorship Program in our building. She's spent/spends countless hours helping her 3rd grade teachers create their Literacy Studio plans for their program.
