

Be A School Wellness Champion

Parents and Community Members, we need your help to make our school healthier!

Children spend most of their day at school. So, it's important that they have healthy foods and drinks while they are there. Good nutrition also helps kids learn better at school. Our school wellness policy tells how our school is making the healthy choice, the easy choice for kids. Parents and community members can help update the school wellness policy and put it into action.

- 1 Join Sparta Area Schools Wellness Committee.** If you are interested in joining the school Wellness Committee, please email Melissa Alley at melissa.alley@spartaschools.org. The wellness committee meets 1-3 times per year. The committee works on projects to help make our school healthier. You do not need any special training to be on the committee, just an interest in keeping our school healthy!

- 2 Read the school wellness policy** [https://spartaschools-cdn.fxbrt.com/downloads/food_services/po_8510 - wellness.pdf](https://spartaschools-cdn.fxbrt.com/downloads/food_services/po_8510_-_wellness.pdf)

- 3 Support classroom and school events** to have healthy foods and get kids physically active. Keep the wellness policy in mind when planning what foods and beverages to have at events and celebrations.
